

First Grade

2024-2025

First grade parents will pay a \$60.00 supply fee to cover all supplies needed for the school year. This money will also be used to purchase items we use for activities with the Seniors throughout the year and to pay for the ice cream party at the end of the year. Please pay this fee with a check or Venmo (@Patti-Christopher-1) instead of cash.

The only supplies parents will be responsible for purchasing are a backpack, headphones that plug into a computer (no Bluetooth), and a no spill water bottle. Make sure that these items are labeled and that the headphones are in a Ziploc bag.
